Highlights

Senior Projects were a success at Wood River High School, Silver Creek Alternative School, and the community.

After School programs at each elementary school proved to be exactly what many at-risk students needed to succeed.

Milepost program brought nationwide attention, with parties showing interest from Senator John Kerry to Dick Riordon, former California Commissioner of Education, to school districts from Virginia to California.

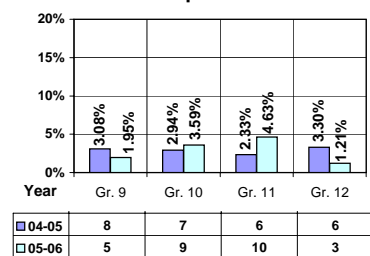

Overall student academic achievement increased 1.5% in Reading and 4% in Math.

Dropouts

Progress Towards Meeting Goals

2005-06 Goals

Progress

Finish construction of Woodside Elementary School for opening in Fall of 2006.

Completed and ready for 2006-2007 school year.

Incorporate the Neighborhood Schools concept as laid out in the Strategic Plan.

Completed and ready for 2006-2007 school year.

To continue to promote adequate yearly progress in academic achievement Districtwide.

Overall Reading proficiency scores improved to 87.5%. Overall Math proficiency scores improved to 85.5%.

Continue a focused effort to provide Work Force Housing for educators and support staff within our District.

Implemented a grow-your-own professional development program for teaching assistants to become teachers. Provided a rent subsidy program for new teachers beginning with the 2006-2007 school year. Developed four lots for teacher housing units in conjunction with the new elementary school. Have five more lots in Carey before the City Council for their approval.

Create an after school program that provides academic, activity, and artistic expression sessions for both children at-risk and children in general at each of our school sites.

Completed and ongoing.

Activate a School Day Redesign Committee to explore new ways to use class time and prep time to a greater advantage for all.

School Board postponed a recommendation to provide every-other Wednesday as team planning time until quality programs are developed for those children who would remain at school until scheduled bus departures.

Continue to move this District toward a complete Professional Learning Community.

Sent Wood River PLC Committee to national conference in June, 2006. Rearranged elementary specials schedules so grade level teams could meet daily Monday's through Thursday's and horizontal teams could meet on Friday's.

Adequate Yearly Progress and Assessment : 2005-06

Did Blaine County District make Adequate yearly progress for 2005-06? No

Percent of the 41 targets that Blaine County District made: 90.24%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals
